

Name :

Lin Fu-tsang

Education :

Osaka University Dental Technology Institute

Dental Materials Research Institute of The College of Oral Medicine, Chung Shan Medical University

□

Career Experience :

Osaka University Hospital Dental Laboratory

Yi-Fu Dental Laboratory

Department of Dental Technology and Materials Science, Central Taiwan University of Science and

□

Courses Taught :

□ Complete Denture Technology

□ Lab. of Complete Denture Technology

Application and Maintenance of Dental Equipments

Orthodontic Technology (Include Peadodontic Technology)

□ Lab. of Orthodontic Technology

□

Professional Fields :

Lab. of Complete Denture Technology

Lab. of Orthodontic Technology

Application and Maintenance of Dental Equipments

□

□

Research Interests :

□ Electrochemistry

□ Surface Treatment
